CACHE Level 2 Technical Award in Child Development and Care

How to revise

- Use your PLC to identify each topic area and what you need to know about them
- Create A3 revision maps for each topic
  - Summarise the key information on them – memorise these!
  - Understand the stages of development of children aged 0-5 years
  - Understand factors that may affect children’s development
  - Know the variety of provision available for children in different sectors
  - Understand the responsibilities of early years workers working with children
  - Understand how to support children’s development and meet their individual needs
  - Know own preferred learning style and relevant study skills
- Get parents, friends and family to test you
- Do exam questions under timed conditions for each topic covered

Resources available to you

- Use your Coursework Folder
- Use the CACHE Child Development and Care textbook
- Use your PLC located in your folder
- Use the Iachieve platform to revisit topics and practice assessment questions
